

New Build Classroom and Outdoor Teaching Area

Project Brief:

Construction of a simple classroom block and covered play area, with a short 24week Programme.

Project Details

Sprout were appointed for the construction of single storey Primary School Block. The build was traditional with a simple internal open space with small office and classroom cup 'ds.

The contract was undertaken over a 25 week period. Full site risk assessments were undertaken and total site separation was achieved ,even though the school entrance was restricted to one side gate.

Methodical logistical planning saw materials and waste delivered to and from site after hours to ensure health and safety was maintained.

We operated this site with no more than 3 operatives at any one time and ensured noisy percussion works were undertaken on none school days.

The contract included all trades from ground works to decorations and floor finishes.

Project Facts & Figures

Budget:	£126,000
Timescale:	25 Weeks
Underspend:	£9,000

Clients Comments:

.....the building has provided the children two new interactive spaces. It was a pleasure to work with the whole team, it puts confidence back into construction.....
